

PURPLE HEARTS

CARE CARD

LIGHT

Direct sunlight ensures deep purple stems

Shaded plants will live just fine but stems will be greener than purple

PLANTING

Purple Hearts are hardy creeping plants and make great flowers for hanging baskets, pots, and as an accent plant.

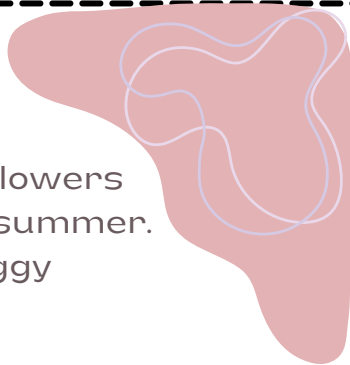

WATERING

Hardy and drought tolerant. Water when soil is dry.

BLOOMING

Blooming pink flowers all throughout summer. Deep purple leggy stems.

OVER WINTER

These flowers are annuals in this area but can be easily overwintered indoors
